

# Vasilii Kobzarev - accordion-solo

Household rider.

All costs associated with the transfer from Krasnoyarsk to the final destination and back, accommodation and meals are borne by the host party!

The "accommodation" includes a day after arrival and a day before the concert.

The minimum stay in the destination city is two days.

Please be understanding: the artist needs time to rest and prepare for the performance, and the flight "two hours after the concert" or arrival "an hour before the soundcheck" - provoke additional risks associated with delays and nervous tension on both sides.

Pay special attention to the transportation of the accordion - a dimensional musical instrument ( 20x40x45, weight 11 kg ). Requires a special (written) agreement with the air carrier on the possibility to take the instrument in hand Luggage. Or buy a separate ticket for the accordion.

Performer does not hand the instrument in the Luggage!

Accommodation: Hotel with Luggage storage (from 3\*).

In the dressing room: full-length mirror, natural coffee, mineral water.

If it is impossible to fulfill these requirements, please coordinate any changes with the artist in advance.
